## Job Description

### Financial Manager Job Responsibilities

- Assess, direct, and oversee the financial and accounting operations of the restaurant on a daily basis.
- Implement and design procedures, financial policies, and strategies specific to the restaurant industry.
- Oversee and prepare financial performance summaries, profit margins, and detailed cost analyses in regular reports.
- Analyze and adjust forecasts while managing the restaurant's financial planning and budget processes.

- Develop financial models to support decision-making and simulate scenarios specific to restaurant operations.
- Optimize and review financial reporting tools, accounting systems, and investment strategies, providing actionable recommendations to leadership.
- Manage, train, and hire financial and accounting staff to build a strong and efficient team.
- Liaise with financial consultants, auditors, and investors, serving as the main point of contact for external stakeholders.
- Evaluate new business opportunities such as expansions, acquisitions, and menu items, establishing profit benchmarks for each.
- Deliver insights on profitability and financial trends to senior management, ensuring operational efficiency is maintained.

This is a full-time permanent position.

These are the qualifications needed for the position:

- A bachelor's degree in business administration, economics, commerce or a related field is required
- Several years of experience in accounting, auditing, budgeting, financial planning and analysis or other financial activities are required.

Salary: \$59 per hour

Location: 696 Queen St E, Toronto, ON M4M 1G9
